Players can interact with the ball using the Touch Instinct technology, which allows players to quickly and accurately perform tackles and dribbles. This new offensive and defensive mechanic is embedded within the Hyperlapse feature, where the D-pad allows players to slow down the action or freeze time and slow down the movement of the ball. Two new football development modes have been introduced to FIFA Ultimate Team to enhance gameplay. Mode Teaser is an enhanced version of the Random Draft mode, where players are able to preview drafts of players before they are chosen. The preparation of each player is also more realistic as players' strengths and weaknesses are taken into account. Dynamic Ratings are also used in Mode Teaser to ensure that players' attributes and attributes are always in check and adjusted to their current rating. Players can also now jump to wherever they choose on the pitch, to deliver spectacular free kicks, headers, and more. FIFA Ultimate Team Dynamic Ratings are used in FUT to ensure that players' attributes and attributes are always in check and adjusted to their current rating. Mode Teaser brings the new mode to life, improving on the Random Draft feature and allowing players to preview the draft before it is created. A combination of both elements give gamers the best possible gameplay. The new mode is available for £3.99/€4.99/AU\$8.99 and is currently only available to current owners of Ultimate Team. The mode will be rolled out to all players on Xbox One, PlayStation 4 and PC. FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power gameplay. What's new:

- Accumulating cards and earning rewards has never been easier. Enjoy all-new match conditions, including late game openers, extra time and penalties. Relive the heart-pounding drama like never before as you boost your Ultimate Team to improve your squad and win silverware for the first time. Once your new epic team is built, you can use Master League Challenges to unlock rewards - including Rare and Epic cards - to mix and match in new ways to achieve breakthroughs in gameplay.
- Experience the all-new FUT Draft mode. Concentrate on building the best team to play in any situation, then switch from player drafting to head-to-head challenges against a friend, or online against another FIFA player on the same console. Play away from home and risk accusations of FIFA cheater, or test your luck facing real-life opponents in the all-new Top Fifa tournament.
- Manage your finances the smarter way, with a new monthly management dashboard. Undertake tasks like paying off outstanding bills and improving your bottom line.
- Dive deeper into all-new player narratives that explain the actions of complete new characters, such as Rio de Janeiro. And what better way to get to know these new star players than with new Celebrity Skills, these multi-layered in-match features that reveal storylines only the top superstars in FIFA can accomplish.
- Clean sheet in FIFA 22 is no longer scored. Whether it be defending off a set-piece or dispossessing a player in transition, an opposition goal will never be scored.
- In FUT, your squad will be built on your Ultimate Team. Not the other way round! Upgrade your players by earning reward packs from games, competitions and tournaments. Also, don't forget to unlock players from rival Ultimate Team managers and earn trophies for your trophies!
- Create your own stadium with the all-new stadium editor, and place it on your pitch with the all-new custom stadium feature, then head to the stadium builder to create the perfect home for your team. Plus, update and improve your stadium with new seats, decoration poles, lighting displays and much more!
- Dig deep as an attacker on the wing with FIFA's all-new Active Dribbling feature. Featuring an improved dribbling animation, you'll show off your pace
