Instruments of Destruction is the perfect sequel to the extremely successful Puzzle Agent. Both games are set in a post-apocalyptic world inspired by the works of H.G. Wells, and both games are unique in their own right. The new "Sick & Twisted" Trailer gives a hint of what's to come, and showcases more of the quality of this title. Instruments of Destruction is the first game from Double

Fine Productions, which is dedicated to bringing innovative, original game experiences to PC and other platforms. The studio is directed by former LucasArts and Lucasfilm game veterans Michael Stemmler, who also worked on the original *Beneath a Steel Sky*, and Amir Hussain, former lead designer of *Rise of the Triad*. Double Fine Productions has been working on this title for the last several years, and their dedication to this game is evident in the high level of polish.

**KEY FEATURES**

- An advanced physics-based destruction system that lets you demolish everything in the game in real time. Objects interact with the destruction in a variety of ways, from small impacts on the body that can destroy limbs to larger impacts that can destroy the entire body.
- Creating items and vehicles is made easy thanks to an intuitive user interface and powerful character creation tools. With a variety of parts and body parts at your disposal, you can easily build a full-scale vehicle in minutes. The sandbox mode allows you to play with an unlimited number of vehicles and parts with no limits.
- A true sandbox mode lets you play with no limits and explore and build your way to the end of the island, as you earn new parts and vehicles by completing missions. Optional bonus objectives will reward more creative builders and add even more replayability.
- The world keeps growing and changing, and you'll unlock new areas as you play that show off the capabilities of the destruction system and the world around you. The story advances and changes, and each change will affect the world and gameplay in interesting ways.
- Dive into a story about a small group of people trying to survive in a world that's rapidly changing and become the ultimate inventor and discovery junkie. Dozens of collectibles and items will keep you busy and a variety of challenges will keep the gameplay fresh and engaging.
- Enjoy instant progression: as you play and collect, you earn XP that provides you with a stat bonus in battle, unlocks new parts and vehicles

==== The Indoles game is a close-combat action. In addition to the firearms, you also have the warrior's long knives, disc throwing weapons and you can shoot with your more powerful crossbows. Indoles' physical abilities, such as mobility, are the same as melee fighters. You can pick up equipment and use them to full capacity. And, in addition, Indoles is completely skill-based so your fighting capabilities are contingent on your performance. Game also contains audio and video captured during the development of the game, provides a glimpse into the life of those who created the game and share it with you. =====
